

Electives in Department of Noninvasive Cardiology

113 Zeromski Str.

Hospital of the Medical University of Lodz, Military Medical Academy Memorial

Central Teaching Veteran Hospital

Student should go to **the building no. 21 (ophthalmology)** where the lecture room is located.

Electives begin with the lecture. After the lectures clinical classes are **at the ward, the first level in the main building.**

Students are obligated to attend all seminars and classes. At the end of the course students will present a case history of a chosen patient suffering from cardiac disease.

A clean medical coat, a stethoscope and ID are obligatory during clinical classes.

Outerwear needs to be left in the student's locker room (level '-1' in the main building).
